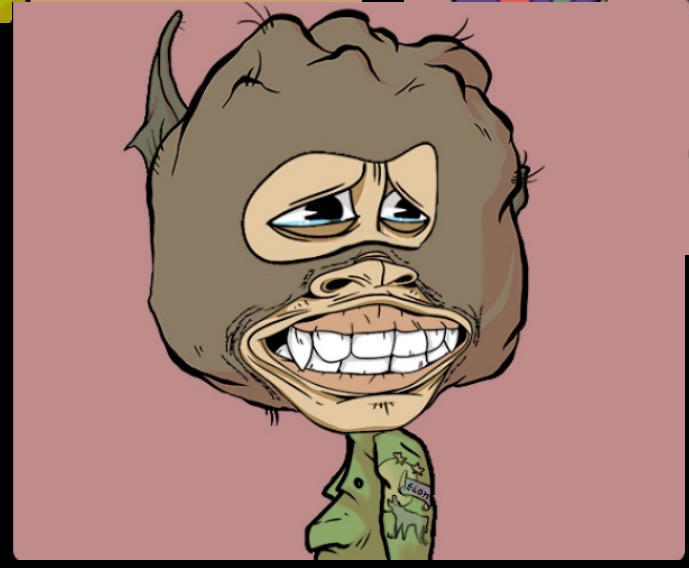
GOBLINS GOT rug'd BY THE APiES



On our #BAGs Space, #AApes insinuated that #BAGs will be entering the Otherside (June 5th)

They encouraged us to snipe and buy their traits as if they would take care of us (June 5th – 7th)

When other apes got upset, they dumped – and quickly deployed Goblin Queens – and dumped again (June 8th)

When #BAGs ran havok, they insinuated that we are actually going to #goblintown (June 9th)

Turns out that was a lie too (confirmed June 10th)

This is a coordinated rug by #AApes.

Charity

Before the ending of TEAMSEAS, after the launch of PROJECT CCT, on the 25th of December, we decided to give 20% of the benefits generated by the selling of NFTs to charity: in this case, being TEAM SEAS. Every two months 20% of all benefits will be given away to a random charity of your choice. We will be doing votes on our Instagram page. The chosen charity will then be announced on this website! Stay tuned
